

## The Modernistic Trend

23 The Cloisters,  
Windsor Castle.

*Dr. Sidney Campbell has been organist and Master of the Choristers at St. George's Chapel, Windsor, since 1961. Previously he has had three Cathedral appointments. Dr. Campbell has done much work with the Royal School of Church Music and spent a short period as Sub-Warden before his appointment to Ely Cathedral.*

Sir—No fear! But of course the 19th century French School of Symphonic Organ Composition is important, and the composers showed mastery of form and understanding of the Romantic Organ: the Impressionist School which followed expressed similar qualities.

SIDNEY CAMPBELL.

## The Resurrection

Erect upon the hill,  
Three crosses stood,  
An angry crowd  
Stood mocking near  
The Saviour hanging there.

See on his head  
The crown of thorns,  
Now with his father,  
In the great somewhere  
The crown is made of gold.

C. W. J. KEMISH, Div. I.
